### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art made of record has failed to suggest either singly or in combination a novel mounting anchor for a motor vehicle. The applicant has disclosed the use of a locking bar comprising a first and second sides and grooves; a first and second switch positioned adjacent the first and second side of the locking bar; a first and second moveable plate positioned to slidably engaged the groove on the first and second side of the locking bar; wherein the mateable connector includes at least one of the first and second rotatable arms which received in association with one of the first and second apertures initiates movement of an association one of the first and second moveable plates and the activation of either the first or second switch.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The following patents are cited to further show the state of the art with respect to mounting anchor: U.S Pat. No. 4345791, 4785906, 5966784, 5898366, 6827400, 6138332, 6820310, 6325412, 5892436, 6631958, 6205629, 6390560, 5742986, 5907892, 6116696.
